

What Do You See?

Bartimaeus was blind, but he could see that Jesus was the Messiah! Sometimes our eyes can deceive us. Take a look at each of these optical illusions.

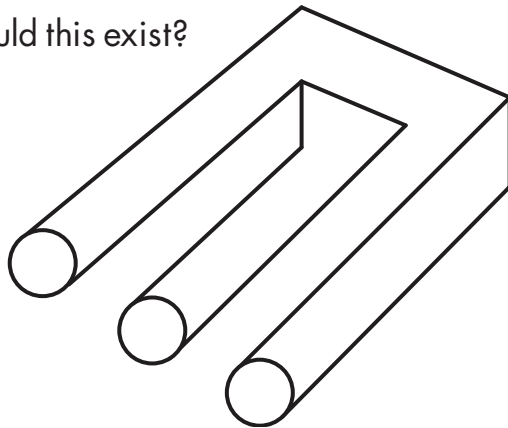

Which bar is taller, the one on the right or the one on the left?

Look at this image for several seconds.
Does it appear to move?

Could this exist?

What do you see — an old lady or a young woman?

Are these curvy lines or straight?
