

# Right and Left

James and John wanted to sit on Jesus' right and left sides to get special places in heaven. Jesus told them that the best way to serve him was to serve others and that everyone gets a special place in heaven!

We can serve others with our hands. Write the message, "SERVE OTHERS" with your "favorite" hand in the first box and with your other hand in the second box. One hand may write better than the other, but all hands are special in heaven.

1. My Favorite Hand

2. My Other Hand
